

An aerial night photograph of the Kakslauttanen Planetarium in Finland. The scene is dominated by a vibrant green aurora borealis (Northern Lights) dancing across the dark sky. Below, a large, snow-covered building complex is visible, featuring a prominent dome on the left and a tall, illuminated tower with a glass-enclosed observation deck on the right. The surrounding landscape is a dense forest of snow-laden evergreen trees. The overall atmosphere is serene and awe-inspiring.
